## AFTER SCHOOL PROGRAMS

### "DROP-IN" RECREATION PROGRAM

Scottsdale's after school programs provide school-age children with a caring, enriching and safe afterschool environment. Recreation staff provides structured recreational and educational activities daily. Scottsdale Recreation professionals adhere to ethical conduct by upholding basic principles of trust, honesty, integrity, and respect. Participant's "safety" is our afterschool program's #1 priority! Recreation staff is regularly trained on a variety of key subjects, which provide a positive foundation for our After school Programs. Recreation Leaders at each site conduct activities including arts & crafts, games, study time, sports, and fitness related activities for Scottsdale's youth. There are occasional guest speakers and special events.

All after-school programs are drop-in format, which means that youth are permitted to come and go as they wish, without signing in or out. If the program is being conducted at a Scottsdale Unified School District facility, the District requires that a youth leaving the program must also leave school property. Facilities at which drop-in programs are conducted by the City are not licensed child care facilities under Arizona Revised Statutes Section 36-882. During most program days, participants may arrive at any time after program begins, or they may depart at anytime without signing in or out.
